

## Point Fighting

**All fighting divisions are Double Elimination!**

Note: Anyone with who has previously fought in an Amateur or Professional fight is not eligible for this event.

Divisions will be finalized and posted one week before the tournament. Every effort will be made to keep weight categories within a 5kg range. However, if a competitor does not fit within the weight window, we may move them up to the next age or skill category (unless it involves moving from age 17 to 18). Alternatively, we may adjust the weight category by up to 2kg either way. Once divisions are set, competitors may request to change their skill level, but weight categories will remain fixed.
